Case 3-5743

Oct 21 1957

Honorable Victor E. Cooley/
Acting Director
Office of Defense Mobilization
Washington 25, D. C.

Dear Mr. Cooley:

Thank you for your letter of 14 October 1957, in which you offer this Agency an opportunity to have the General Services Administration make a site survey of our emergency relocation center.

We would like very much to have the privilege of studying the manual entitled "A Method for Evaluating the Protection Afforded by Buildings Against Fall-Out" and to have the benefit of the experience you gain from other site surveys and the costs involved before we make a decision in this matter.

I have instructed our Emergency Planning Officer to keep in touch with appropriate members of your staff on the progress and findings of the surveys for our future guidance.

Accordingly, we will not ask for a relocation site survey at this time.

Sincerely,

Signed
L. K. White
Deputy Director
